

## COVID-19 Self-Screening Questionnaire

*To help slow the spread, we require all incoming drivers perform a self-screening prior to traveling to our orientation.*

It is imperative drivers answer the questions honestly and completely. Drivers will be required to get their temperatures taken the first day of orientation prior to entering the terminal, and will be asked to reschedule their orientation if they have a fever of 100.4 or above.

<b>Please answer the following questions by check marking "yes" or "no"</b>	<b>Yes</b>	<b>No</b>
In the last 14 days have you had any known contact with someone confirmed with diagnosis of COVID-19, or under investigation of COVID-19?	<input type="checkbox"/>	<input type="checkbox"/>
Have you had a fever (100.4 or higher) or chills in the last 48 hours?	<input type="checkbox"/>	<input type="checkbox"/>
Do you have a new persistent cough?	<input type="checkbox"/>	<input type="checkbox"/>
Are you experiencing shortness of breath or difficulty of breathing?	<input type="checkbox"/>	<input type="checkbox"/>
Do you have a sore throat?	<input type="checkbox"/>	<input type="checkbox"/>
Do you have congestion or runny nose?	<input type="checkbox"/>	<input type="checkbox"/>
Do you have repeated shaking with chills?	<input type="checkbox"/>	<input type="checkbox"/>
Do you feel fatigued?	<input type="checkbox"/>	<input type="checkbox"/>
Are you nauseous or vomiting?	<input type="checkbox"/>	<input type="checkbox"/>
Do you have diarrhea?	<input type="checkbox"/>	<input type="checkbox"/>
Do you have muscle pain or body aches?	<input type="checkbox"/>	<input type="checkbox"/>
Do you have a headache?	<input type="checkbox"/>	<input type="checkbox"/>
Are you experiencing new loss of taste or smell?	<input type="checkbox"/>	<input type="checkbox"/>

**If you answered “yes” to any of these questions, we ask that you contact your recruiter to reschedule your orientation date.**

**If you answered “No” to all of these questions, please continue to self-monitor daily for respiratory symptoms such as fever (100.4 or above), cough, shortness of breath, sore throat, runny or stuffy nose, body aches, fatigue, headache, muscle pain, chills, fatigue, nausea, vomiting, diarrhea or new loss of taste or smell] report any symptoms immediately and do not come to work.**
